28mm/15mm Product Range - Sarissa Precision Pre-built

We are please to present our range of pre-built and painted MDF products.

With our bespoke colour schemes, many of the buildings have detailed weathering and additional features such as wind swept sand gathering on steps and around bases of buildings. All this adds extra realism, depth and fantastic aesthetics to your gaming layouts.

If you require any building from the Sarissa catalogue that isn't listed in our own catalogue please fill in our online order form (at www.adrianswalls.co.uk) with the product code and item description etc, from www.sarissa-precision.com.

We also offer a full build and/or painting service for non-Sarissa MDF products at very competitive prices. Simply send your MDF manufacturers products to us for assembly and/or painting. Please visit our website for more information.

If you have a particular colour scheme for your buildings please email us for more information at: info@adrianswalls.co.uk
